

DELANAN STUDIOS
HOLIDAY OPEN STUDIOS
DECEMBER 3, 2022
10:00AM TO 4:00PM

Welcome!

Thank you for joining the 2022 Delavan Studios Holiday Open Studios. There are 90 different studios in this historic building, half of whom have opened their doors to guests today. This block has hosted foundries since 1855, most famously for the Syracuse Chilled Plow Company and John Deere. Starting in the 1970's, the newly christened Delavan building became a magnet for artists in Central New York. Please mind your step and be careful as you navigate the building and the studios: these are all active workspaces in a former industrial center.

Building Access

There are two entrances from our main parking lot, marked 501 and 509 (W. Fayette St). If you have tickets at Will Call or need to pay cash for your tickets, please use the 509 entrance. Both entrances are handicap accessible.

Parking

Parking is available throughout the neighborhood on the street and at the lots on this map. We will have attendants outside our building to help guide traffic.

Hours of Operation

The Holiday Open Studios runs from 10am to 4pm on December 3, 2022. Some studios may close periodically throughout the day for breaks or appointments. Please be understanding of artists' schedules.

The building will close to guests at 4pm however there is an art opening for "Secret Santa Show" from 6pm to 10pm in the Stay Fresh Gallery. An art supply donation for The Arts Place Syracuse (TAPS) is requested for gallery entry. Entrance for this show is from outside the building on 108 Wyoming St.

Admission

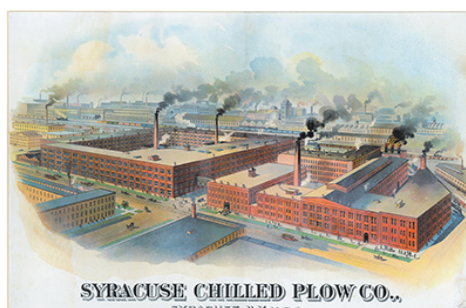

Admission costs \$4 in advance or \$5 at the door. Paper tickets are required. We accept electronic and credit card payments at the door. Any cash sales need to visit the main office at Studio 138 inside the 509 entrance. All money collected after tax goes to a new mural.
